Crosswalk Portal

CSB & Community Partner Engagement 2.0

Caroline Joseph-Paul, Managing Director cpaul@careersourcebrevard.com Created 2/15/21 Updated 4/12/21

A protected online platform used for the purpose of referring clients/customers between any of the partner agencies registered in the portal.

It's free & easy to use.

Crosswalk is where people are connected to services!

https://crosswalkrs.com/login/login.php.

Background Info

- Developed by CareerSource Suncoast (used Federal funds)
- Agency-to-agency referral system/a streamlined process for interagency referrals.
- No cost to Brevard, other workforce boards, and all participating agencies.
- Is available to boards in all 24 regions. Boards currently using this system:
 - Flagler/Volusia
 - Capitol Region
 - North Florida
 - North Central FI
 - CS North East/Jax
- Launching May 1, 2021, for Brevard!

The Need,
Benefits,
&
Results

This referral portal has allowed CareerSource Suncoast and other regions to:

- 1. Enhance and encourage collaboration between agencies
- 2. Improve communication between partners
- 3. Create better awareness of community services
 - For their staff and participating agencies.
 - Ability to search database to see services being offered by participating agencies in order to refer their customers.
 - Customer must be aware of referral and the receiving agency must respond within 3 days etc.
- 4. Refine the interagency referral process
 - Most agencies will be able to send and receive electronic referrals.
 - Receiving is optional for agencies participating
- 5. Establish accountability
 - Tracking within the system itself.
 - Acknowledging receipt, reassigning the referral to staff for action, and noting when customer has been contacted etc.
- 6. Align & leverage community resources and services to more effectively assist customers.

What will Crosswalk replace?

- Crosswalk Referral Portal will replace CSB's hardcopy & linked "Referral for Workforce Services" form partner agencies are currently using to refer customers to us - https://careersourcebrevard.com/partner-referrals
- When partners are established in the portal, this method of referral can also replace our hard copy "CSB Referral Form to Community Agencies" - Document Center - CSB Referral Form to Community Agencies.pdf - All Documents (sharepoint.com)

Guidelines

- The individual being referred must be aware and in agreement with the referral that is being generated on their behalf within the Crosswalk Referral System.
- Referrals received must be responded to within 3 business days.
- Confidentiality of personal information is critical. Any sharing of an individual's information beyond what is in the referral will require a release of information signed by the individual and on file with at least 1 of the 2 agencies involved in the referral.

Note: CSB has an Authorization to Release information form that will be completed by customer during the initial meeting/appointment & this form will be uploaded into the customer's file in Employ Florida.

BREVARD

Features

- Find agencies in the area and easily see what services they provide to the community.
- Create a better experience for the customer being referred i.e. an invitation to schedule an appointment for personalized services.
- Tracking system that allow agencies to see when the referrals were received addressed i.e. reassigned to staff, how many referrals were sent, and by whom.
- Agencies can maintain and update their profiles and service information themselves.
- They can add and/or remove team members as needed and set their permission levels.

How to get started - Agency Set Up

Access Crosswalk portal to establish agency profile, at: https://crosswalkrs.com/login/login.php

Agency Profile will include:

- · Business summary
- Mission & Vision
- Type of business
- · List of Services
- Website
- Main contact

Other Features

- List of participating agencies on the <u>Crosswalk Agency Referral System</u> (<u>crosswalkrs.com</u>) page. This allows other agencies to see who else is participating on the main page.
- Brevard's profile has been set up for staff to see only Brevard-specific agencies. We can adjust profile to see other areas if we want to.
- Video on the website only references "CareerSource" only.
- Have marketing collateral for regions to use to advertise to local agencies – including small business cards with portal link and benefits for using this referral system.
- CareerSource Suncoast is <u>working on creating a "Regional Admin"</u> profile.

BREVARD

BREVARD

Partnerships Developed

Since 2017, we have developed partnerships with over 39 local partner organizations throughout the county & have served over 595 customers.

The top 5 referral agencies using CSB's referral process are:

- Brevard Court System & Department of Revenue 333 referrals
- Florida Department of Corrections- 35 referrals
- Brevard Cares –23 referrals
- Brevard Housing Authority/ROSS program –21 referrals
- Family Promise of Brevard 20 referrals

To deepen our collaboration efforts, we continue to host monthly & quarterly meetings with local organizations. We are currently working with partners to transition everyone to the Crosswalk portal.

Members Absent: Brian Jaskiewicz and Laura Koursaris

Staff in Attendance:

Marci Murphy, Jana Bauer, Wendi Bost, Judy Blanchard, Denise Biondi, Megan Cochran, Thomas LaFlore, Lisa Fitz-Coy, Don Lusk, Lyn Sevin, Erma Shaver and Marina Stone

Guests in Attendance:

Chakib Chehadi, Ahmanee Collins-Bandoo, Julie Berrio, Marvetta Gordon, Linda Hadley, Caroline Joseph-Paul, Ramsey Olivarez, Michele McAlpin, Sally Patterson and Raul Santana of CareerSource Brevard (CSB) Career Centers along with Frank Margiotta of Eastern Florida State College

Call to Order:

Nancy Heller, Chair called the meeting to order at 8:31 am at CareerSource Brevard (CSB). Introductions were made.

Public Comment:

There was no public comment.

Reports:

The President provided an update on the current state of CSB operations during the COVID pandemic, our local and state unemployment rates, an update on details of a recent meeting with Brevard's legislative delegation and the construction training grant. She thanked the members for their contribution to our organization.

Presentation:

Rapid Credentialing Initiative Through Eastern Florida State College

Frank Margiotta, Dean of Workforce Programs at Eastern Florida State College shared a presentation on their Rapid Credentialing Initiative designed to use the Governor's Emergency Education Relief (GEER) Fund to promote short term training programs, stackable credentials and to prepare individuals for the workplace. Program performance was also shared.

Veteran Services Overview

A Veteran's Services Program presentation was given pertaining to the mission, roles and responsibilities, activities and outreach, job fairs and performance of CSB's Veteran Program.

Action Items:

Approval of Career Center Committee Minutes of October 27, 2020

Motion to approve the Minutes from the October 27, 2020 meeting was made by Jennifer Sugarman. Robert Gramolini seconded the motion. The motion passed unanimously.

Discussion/Information Items:

Committee Goal Status

Staff reviewed the matrix of the Career Center Committee including the Goal, Objectives, Strategies, Actions, Timeframes and Status of each strategy.

Healthcare Sector Strategy Update Presentation

A presentation was shared of the Healthcare Sector Strategy Updates. Goals were met, activities and results through December 31, 2020 were shared. Details of the Virtual CNA Career and Training Virtual Fair were shared along with outcomes from the event.

CAPE Industry Certification Funding List

The Florida Career and Professional Education (CAPE) Act was created to provide a statewide planning partnership between the business and education communities to attract, expand and retain targeted talent. For the upcoming 2021-2022 school year, a total of 96 applications (including duplicates) were submitted across the state, with seven (7) from Brevard. The preliminary comprehensive list of recommended certifications statewide was shared. The final list will be provided to the CareerSource Florida board for approval in February 2020

Quarterly Multimedia Outreach Presentation and Matrix

A visual presentation of social media, direct email marketing and paid advertising from the second quarter was shared along with marketing highlights, the State of Florida co-op campaign and metrics for CSB's website and social media platforms. A matrix showing the quarterly activities of the Outreach Department was also shared.

Second Quarter Contractor Performance PY20-21

The CSB/C2 GPS contract is cost reimbursement for direct program costs, however; profit is withheld from the Contractor until measurable performance outcomes are achieved. The Contractor missed the performance criteria for 15 of the 21 of the minimum measures but exceeded 13 of the 21 accelerated measures.

Primary Indicators of Performance

Common Measures were established under WIA and are still required by the Workforce Innovation and Opportunity Act (WIOA). Data was shared showing past performance and actual performance, along with PY20-21 goals. The goals for Credential Attainment Dislocated Worker and Youth were missed for the 1st quarter. All other performance goals were met or exceeded for the 1st quarter.

Continuous Improvement Performance Initiative

The Continuous Improvement Performance Initiative (CIPI) Measures are those developed under the guidance of CareerSource Florida and align with CSF's corporate goals. These measures are used for awarding performance incentive monies to regional workforce boards. The initiative includes three key metrics with additional credit for serving individuals with barriers to employment and for providing staff-assisted, high-value services to business establishments. The committee reviewed the data for PY 20-21 July 1 through December 31, 2020. To date CSB has received \$19,080 of the incentive dollars allocated to PY 20-21 performance.

CareerSource Brevard Customer Portal

Based on the CareerSource Brevard Board of Directors Retreat last February, an initiative was developed to create and track an online customer feedback mechanism that would be housed on the CSB website. The portal will be designed to serve two primary functions; collecting success stories from customers and collecting survey data regarding customer experiences within the center. Planning is underway and development will occur during the first quarter of 2021. Functionality and measurements were shared.

Business Use of CSB Services

The goal in CSB's Strategic Plan is to create a Career Center model that is one of the top choices for career seekers and businesses in Brevard by offering quality workforce products and services. Data was shared showing the number of unique businesses who received a service and also the number of services those businesses used. Discussion ensued about how local business are coping with the pandemic and future plans. It was noted that some businesses laid off and furloughed staff, management works 2 to 3 days in the office, others are anticipating new programming by June and other businesses are strictly working remotely and taking advantage of increased staff training online.

Q2-2020 Job Fair and Recruiting Events Presentation

A presentation showing on and off-site recruiting events, workshops, virtual job fairs, employer panels, a virtual employer appreciation awards ceremony and a virtual IT consortium were shared. A Fact Sheet was also provided for July 1 – December 31, 2020.

Adjourn:

There being no further discussion or business, Nancy Heller, Chair adjourned the meeting at 10:07 am.

Recommendation

The PY 2021-2022 RTOL is attached. The changes to the RTOL is based on current employment trends and data, in addition to feedback received from community partners, educators and staff. Some of the additions to the RTOL were requested by partner agencies such as Brevard County Public Schools and Eastern Florida State College. Projected industry needs in broadband have been added this year.

The following charts show the occupations being added, removed and adjusted based on labor market and supply & demand data. For occupations being added, the assigned category is delineated in the color that will appear in the RTOL. For the occupations being adjusted, the color shown is the color contained in the PY 20-21 RTOL.

Information Brief

Career Center Activities and Continuous Improvement

Background

CareerSource Brevard's contractor, C2 Global Professional Services (C2), regularly measures and evaluates activities occurring within the career centers to maximize services to both jobseeker and employer customers. Throughout the duration of the COVID-19 pandemic, C2 has considerably modified the delivery of services by virtualizing case management, workshops, site visits, employer services and more. Below is a snapshot of the various activities that have occurred within the career centers for the past quarter, January – March 2021.

Customer Engagement and Assistance with Employment-Related Services

- A total of 1,487 active job seeker customers (or 76.26%) received value-added services. CSB's database currently has 1,950 active job seekers.
- A total of 918 new customers entered the system. Demographics include;

428 claimants 80 individuals with disabilities

187 older workers 69 low income 80 veterans 66 offenders

- A total of 3,455 job referrals were issued (3,050 internal, 405 external).
- A total of 557 customers entered employment with an average wage of \$15.77 (including 79 veterans).
- A total of 116 virtual job seeker workshops were held, serving 850 customers. Key highlights include:
 - Orientation to CSB/Preparing for Interview Workshop with EDC hosted in January 2021 in partnership with EDC for 15 CPT participants.
 - Ask the Recruiters Q&A Panel Series These interactive sessions allow local area employers, hiring managers and staffing agencies from across all industries to provide information on their companies, available job openings and events, interviewing techniques, resume best practices and effective career strategies. A total of 148 individuals attended.

Reemployment Assistance

The Reemployment waiver has been extended to April 24, 2021. Staff throughout the county continue to actively engage with as many job seekers as possible by marketing services and job search assistance through email, community partners, social media, text, Employ Florida messaging system and virtual and in-person visits.

Customer Satisfaction Results

- A total of 601 customers completed CSB's customer satisfaction survey (581 English / 20 Spanish).
- An overall satisfaction rate of 98.87% was received based on those who indicated they either strongly or moderately agreed that their overall experience with CSB has been satisfactory (97.74% English / 100% Spanish).

• The top 3 services identified included Job Search, Applying for Reemployment Benefits/Filing Weekly Claim, and Appointment with Workforce Professional.

Career Services (Case Management)

- Adult Program (WIOA) 25 of 25 files closed due to employment w/average wage of \$15.85. Twelve (12) participants secured employment in the Healthcare industry and 7 in Logistics/truck driving.
- Dislocated Worker Program (WIOA) 10 of the 11 files were closed due to employment w/average wage of \$16.47.
- NextGen Young Adults (WIOA Youth) 21 of 21 files were closed positively (employment, education, or entered military). Average wage for those closed due to employment was \$12.61. One customer obtained employment as an Environmental Engineer 1 with a wage of \$26.40. This engineer is a 23-year-old who graduated with a bachelor's degree in engineering. Staff provided resume assistance, mock interview, and other job search support.
- Welfare Transition Program 36 participants records were closed to entered employment w/average wage of \$12.77.

Access to funding for training

Due to the pandemic, we have experienced a decrease in the number of customers engaged in occupational skills training. This impact is not unique to the Brevard region. Historical data from Jan – March 2019 indicates there were 75 new participants who started a training activity (OJT, ITA, incumbent work training) compared to 32 and 30 same period in 2020 & 2021 respectively.

In April 2021, CSB is deploying a campaign to attract and engage workers that were negatively impacted by COVID-19. The goal is to encourage job seekers to increase technical skills needed to pursue new career opportunities and/or increase current skills/credentials. Customers are provided guidance on how to apply for scholarships to pay for short term training in Healthcare, Transportation, Manufacturing, Information Technology, and more. Career Counselors provide career assessment & exploration, work readiness training, individualized career services, and job placement.

Registered Apprenticeship Program

Staff hosted 2 interactive virtual Registered Apprenticeship Program (RAP) Information Sessions, connecting a total of 21 career-seekers to local RAP's. Of the 21 attendees, 13 are actively working with CSB staff. Demographics of the attendees vary from young adults to 55+.

Community Partnerships

In March 2021, we met with the Sustainable Workplace Alliance (SWA) to discuss their "Operation Career Launch 2021" training. The training is federally funded by U.S Department of Labor and the National Institute of Environment Health & Science. It is a no-cost 3.5 weeks training for individuals 18 years and older. Classes we held at the Evens Center in Palm Bay, FL from March 22 – April 14, 2021. Participants were trained in a variety of areas to include, but not limited to, OSHA certification – 10 hour construction; OSHA Disaster Site Worker; HAZMAT Labeling and Shipping; First Aid/CPR/Bloodborne Pathogens; Opioid Awareness for workers; Sustainability and Green Construction; and Introduction to Environmental Justice. We partnered with SWA to help them recruit for this training, provide pre-employment training and assistance with job placement. A total of 7 of the 10 participants in cohort 1 came from CareerSource Brevard.

Information Brief

Third Quarter Performance PY 2020-2021

Background

The CSB Workforce Operations (Career Centers) contract is cost reimbursement for direct program costs; however, profit is withheld from the Contractor until measurable performance outcomes are achieved. Payments of withheld costs are available to the Contractor to earn on a quarterly basis. Payment of withheld profit uses a performance measurement model based on the following elements:

- **Element A**: Contractor must meet minimum performance on 80% of the measures (17 of 21 for quarters 1-3 and 18 of 22 for quarter 4)
- **Element B**: Contractor must meet accelerated performance on 50% of the measures (10 of 21 for quarters 1-3 and 11 of 22 for quarter 4)
- **Element C**: Meeting or exceeding a minimum score of 75 on a Board performance evaluation related to programmatic monitoring results.

PY 2020-21 Performance Results

The Contractor has met the required number of measures to be eligible to earn dollars for Element A. They were also successful in exceeding the performance criteria to be paid on Element B.

Performance Measure Revisions for PY 20-21

In the wake of COVID-19, the measures for the first quarter of PY 20-21 were kept the same pending better knowledge of the path the services would need to take post lock-down. In September, board staff reviewed and modified the measures for PY 20-21 to ensure the best possible avenue for continuous improvement while making sure we are tracking all necessary measures and continuing to stay on track to meet our federal and state goals. While much is still unknown about the impact of the pandemic, staff have defined measures and negotiated performance expectations based on the best data available.

The unique situation presented by COVID-19 continues to be seen in performance numbers. The contractor continues to do a great job of minimizing the impact. Reopening of the Career Centers, expanded virtual offerings, and staff flexibility have all contributed to contractor maintaining optimal performance.

New Customers measure was missed. The number of jobseekers using our services remained below the established performance expectation. This same quarter last year, COVID-19 changed our world and we experienced 4,423 new customers (3,214 of them were in the last two weeks of March 2020).

Wagner Peyser Entered Employment Rate and Referral to Placement were both missed. This is directly related to the number of customers moving into employment. While businesses are beginning to open back up to full capacity, the pandemic unemployment benefits will not expire until April 10, 2021. If there are no further extensions, we should begin to see an increase in jobseekers and placements over the next quarter.

The number of universal customers getting jobs remains a little more than 30% (down from 50% last quarter) below last year numbers. Last year 2,714 had found jobs while this year the number was 1,851. The denominator for 20-21 of 5,852 is about 747 (down from 1,500 last quarter) less than the same time period last year (6,599).

PFM Career Training Services was missed as well. This measure is tied to school and training program type activities that have been slowed during the conversion and adjustment periods related to a changing virtual environment. Staff have been working diligently to move customers from assessment into appropriate training activities. Performance is improving and is up 3% over last quarter. The measure was missed by 1.1% or about 4 people.

Staff will continue to monitor, analyze and report performance in all areas. Of special interest in the coming months will be the Entered Employment Rates and especially retention rates as we work through the economic impact of the pandemic.

Information Brief

Primary Indicators of Performance

Background

Common Measures were established under Workforce Investment Act (WIA) and are still required by the Workforce Innovation and Opportunity Act (WIOA). While incentive monies will not be tied to meeting these common measures, there are sanctions tied to missing the same measure two years in a row to include completing a Performance Improvement Plan and not being eligible for the incentive dollars. New contractor measures have been designed to closely match most of the federal measures maintaining the focus on performance in these areas.

Below is the most recent report that shows past performance along with our actual performance through the 2nd quarter of PY 2020-21. Also shown are our goals for PY 2020-21. The goals for Credential Attainment Dislocated Worker and Youth were missed for the 2nd quarter. Staff have analyzed the cases that had a negative impact on the results and determined that they were customers who had completed Soft Skills Training. Even though they successfully completed that training and received a certificate it did not meet the federal definition of a recognized credential for the purposes of this measure. Through case file review staff identified customers who had completed other WIOA training activities in addition to the Soft Skills Training. Those credentials have been entered and all data indicates that these measures will be met for the 3rd quarter. We have also instituted data validation reports to ensure that all credentials are captured and recorded in the future.

All other performance goals were met or exceeded for the 2nd quarter.

Information Brief

Continuous Improvement Performance Initiative (CIPI)

Background

The Continuous Improvement Performance Initiative (CIPI) Measures are those developed under the guidance of CareerSource Florida and align with CSF's corporate goals. These measures are used for awarding performance incentive monies to regional workforce boards. The current measures replace the previous Performance Funding Model method beginning with PY 2019-2020. Program Year 2018-2019 was considered the baseline year and was used to set targets for performance. The target or goal is established by adding 10% to the actual performance of the same quarter in the previous year.

The initiative includes three key metrics with additional credit for serving individuals with barriers to employment and for providing staff-assisted, high-value services to business establishments in up to five board-selected industry sectors. The five industries measured for Brevard are: Construction, Healthcare, Manufacturing, Professional and Information.

CareerSource Florida allocated \$5 million to recognize local workforce board performance on these metrics. CareerSource Brevard's allotment is just over 2.35%, or \$117,500 (estimated maximum amount to be paid out if all measures are met every quarter). This amount is divided evenly by quarter among the three metrics. The performance is earned quarterly and paid out at 6 months and 1 year.
